

**Turnover for the first 9 months of 2011: €12.8m
(+11.3% on a like-for-like basis)**

Suresnes, France, October 18, 2011: XIRING, a security solutions provider for electronic transactions, announces a turnover for the first nine months of 2011 of 12.8 million euros, up 11.3% on a like-for-like basis for the e-Health and e-ID activities.

2011 9-month turnover	2010 9-month turnover restated	Variation	<i>Released 2010 9-month turnover</i>
€12.8m	€11.5m	+11.3%	€13.1m

NB: The released 2010 9-month turnover included a remainder from the management of the end of a bank authentication contract completed on behalf of the purchaser of this activity during the first half of 2010.

The restated 2010 9-month turnover corrects this for comparison with the 2011 9-month turnover.

The turnover for the third quarter amounts to 4.0 million euros, up 12.0% compared with the third quarter of 2010 (Q3 2010 turnover was of 3.5 million euros).

Georges Liberman, Chairman and CEO, stated: *“XIRING continues to develop its activity, with a third quarter of growth. In the field of healthcare in France, we are seeing our first successful results from the hospital offer launched in May, which is encouraging for the development of this new segment. Moreover, the recent order placed by the French government purchases agency (UGAP) for 87,000 secure readers for the French administration confirms the growth of the e-ID market and XIRING’s potential for success on this market.”*

Next important date: January 17, 2012: Publication of 2011 turnover

About XIRING

XIRING, a security solutions provider for electronic transactions, develops security software embedded in smart card readers and terminals for strong authentication and electronic signatures. XIRING is the market leader in SESAM-Vitale healthcare terminals for generating and signing electronic medical claim forms or for updating healthcare cards in France and also works alongside authorities in the field of healthcare system dematerialization in international markets. In the area of electronic identity (e-ID), XIRING proposes a broad range of solutions for public authority staff and citizens to meet the latest market challenges with secure electronic identity document systems: electronic national identity cards, electronic passports, public transport cards and professional cards. XIRING is listed on the Alternext compartment of the NYSE-Euronext Paris stock exchange. For further information: www.xiring.com
